PRESS COMMUNIQUE

LDS WISHES ALL CHILDREN OF SEYCHELLES A HAPPY CHILDRENS DAY

Children are the future of every Nations, which is why each and every one of us should do our utmost to ensure that all their needs are met.

Love, education, security and peace are the foundations to a child's development. LDS today leads both the executive and the National Assembly and it is the principle of the party to ensure that our children are safe and that we safeguard their interest.

As a country we have signed the UN Convention on the Rights of the Child, and last week the National Assembly unanimously ratified the Optional Protocol to the Convention of the Rights of the Child on a Communication Procedure. As a party, LDS will support any convention or local entities responsible for the safety and progress of our children.

The most precious thing in the world is a smile on the face of a child, let us together endeavor to keep them smiling. Happy National Children's day to all children of Seychelles.
